THE STATE BOARD OF ELECTIONS; THE
NORTH CAROLINA DEPARTMENT OF
TRANSPORTATION; J. ERIC BOYETTE, in
his official capacity as
TRANSPORTATION SECRETARY; THE NORTH
CAROLINA DEPARTMENT OF HEALTH AND
HUMAN SERVICES; MANDY COHEN, in her
official capacity as SECRETARY OF
HEALTH AND HUMAN SERVICES,

Defendants.

Civil Action

No. 20-cv-457

PLAINTIFFS' MOTION
FOR PRELIMINARY
INJUNCTION
AND REQUEST TO
EXPEDITE

Plaintiffs Democracy North Carolina ("DemNC") and the League of Women Voters of North Carolina ("LWVNC" and, together with DemNC, the "Organizational Plaintiffs"), as well as Donna Permar, John P. Clark, Margaret B. Cates, Lelia Bentley, Regina Whitney Edwards, Robert K. Priddy II, Walter Hutchins, and Susan Schaffer ("Individual Plaintiffs") (together, with the Organizational Plaintiffs, the "Plaintiffs"), hereby respectfully request, pursuant to Federal Rule of Civil Procedure 65(a)(1), that the Court issue a preliminary injunction preventing Defendants from enforcing the challenged provisions of North Carolina's election code, Chapter 163 of the North Carolina General Statutes, and requiring Defendants to provide additional accommodations to safeguard voters' rights during the November 3, 2020, general election in light of the COVID-19 pandemic.

As set forth in Plaintiffs' First Amended Complaint, ECF No. 8, North Carolina's current law and election administration impose unconstitutional burdens on the right to vote in violation of the First and Fourteenth Amendments, violate the unconstitutional conditions doctrine, violate Plaintiffs' First Amendment associational rights, violate Plaintiffs' rights to procedural due process, violate Section

208 of the Voting Rights Act, and violate Title II of the Americans with Disabilities Act (the "ADA"), 42 U.S.C. §§ 12131, *et seq.*, and Section 504 of the Rehabilitation Act, 29 U.S.C. § 794. The COVID-19 pandemic presents an unprecedented challenge to the upcoming November 3, 2020, general election. The experience of states that have already conducted their primaries has shown that the pandemic has deterred voters, strained election administrators' finite resources, and ultimately disenfranchised countless citizens. Defendant the State Board of Elections anticipates an unprecedented, ten-fold increase in the use of mail-in absentee ballots relative to the 2016 general election and a drastic shortfall in available poll workers that threatens the operation of polling places. Yet, Defendants remain unprepared to manage that level of absentee mail-in voting or to adapt in-person voting to ensure both safety and equal access. These and other statutory provisions pose a grave threat to voters' health and therefore severely burden the most fundamental right of U.S. citizenship, no matter how voters exercise it.

Preliminary injunctive relief is warranted—(1) Plaintiffs are likely to succeed on the merits of their

claims; (2) they will likely suffer irreparable harm absent an injunction; (3) the balance of hardships weighs in their favor; and (4) the injunction is in the public interest. See *League of Women Voters of N.C. v. North Carolina*, 769 F.3d 224, 236 (4th Cir. 2014). Absent relief from this Court, voters will needlessly face great hardship and disenfranchisement in the November 3, 2020, general election.

Accordingly, Plaintiffs request that the Court preliminary enjoin Defendants from administering and enforcing for the November 3, 2020, general election:

- i. Gen. Stat. §§ 163-82.6(d) and 163-82.20(g), (h), imposing 25-day voter registration deadlines;
- ii. N.C. Gen. Stat. § 163-230.2(a), requiring requests for absentee ballots be made by a form created by the State Board of Elections;
- iii. N.C. Gen. Stat. § 163-230.2(a)(4), (f), to the extent that it limits the proof of residency documents that voters must submit with their absentee ballot request forms to only a North Carolina driver's license number, special identification card number, or the last four digits of his or her Social Security number, and instead

allow election officials to accept any proof of residency document acceptable under the Help America Votes Act (HAVA);

- iv. N.C. Gen. Stat. §§ 163-226.3(a)(4)-(5), 163-230.2(e)(4), 163-231(a), and 163-231(b)(1), imposing restrictions on assistance for absentee ballot request return, absentee ballot marking and completion, and absentee ballot submission;
- v. N.C. Gen. Stat. § 163-231(a), imposing the double-witness certification requirement;
- vi. N.C. Gen. Stat. § 163-227.6(c), requiring uniform hours in precincts; and
- vii. N.C. Gen. Stat. § 163-42(b), requiring a majority of poll workers to come from the precinct in which they serve.

Plaintiff further request that the Court preliminarily enjoin Defendants from violating Plaintiffs' constitutional and federal statutory rights with respect to any election in the state for the November 3, 2020, general election.

Plaintiffs further request that the Court issue an order requiring the SBE Defendants to extend the voter registration deadline in N.C. Gen. Stat. §§ 163-82.6(d) and 163-82.20(g),

(h), until 5:00 pm on the last Saturday of early voting and the DOT and DHHS Defendants to process voter registrations online and received in their offices up until and including 5:00 pm on the last Saturday of early voting for the November 3, 2020, general election, and further order Defendants to implement measures to ensure eligible North Carolinians are able to vote in the state during the COVID-19 pandemic, including:

- a. Expanding voter registration via online portals available through DHHS services;
- b. Establishing contactless drop boxes for absentee ballots;
- c. Establishing mechanisms for requesting absentee ballots by phone, email, and online;
- d. Permitting election officials to accept any proof of residency document acceptable under the Help America Votes Act (HAVA) as acceptable forms of identification with absentee ballot requests;
- e. Establishing mechanisms to cure deficient absentee ballot requests and absentee ballots;
Establishing a mechanism for accepting FWAB ballots;

- f. Establishing a more accessible, centralized way in which voters and advocates can monitor precinct consolidation; and
- g. Permitting voters who for reason of blindness, disability, or an inability to read or write, require assistance to return an absentee ballot request form, mark and complete an absentee ballot, and/or submit an absentee ballot, to obtain assistance from anyone who is not their employer or union representative.

Plaintiffs further request the Court order Defendants to implement a remedial plan to educate voters regarding their options to register to vote and obtain and cast a ballot.

Given the urgency of the relief sought, Plaintiffs respectfully request expedited briefing and consideration of this Motion, and that the Court shorten the requirements of Local Civil Rule 7.3 to require Defendants' response within 14 days of service of this Motion and Plaintiffs' reply within 7 days of service of the response. Defendants, through counsel, consent to the request to expedite briefing and consideration. Finally, Plaintiffs respectfully request for leave to present oral argument in support of this Motion.

This Motion is supported by the contemporaneously filed Memorandum of Law, and accompanying declarations, and any additional submissions that may be considered by the Court.

Dated: June 5, 2020.

Respectfully submitted,

/s/ Jon Sherman
